Apprenticeships

For information on how to find an apprenticeship you can either search via local college apprenticeship vacancy pages, individual company vacancy pages, via the national [Find an Apprenticeship](#) website or via Unifrog.

During Y10 I feel it is a good idea to have a look at what type of apprenticeship are being advertised so that you can have a think about which ones you might be interested in applying for at the end of Y11. Please click on the below links for more information on some local apprenticeship vacancies that are currently being advertised

Launch of Unifrog

September saw the launch of Unifrog at Seven Vale School. To support our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog; an award-winning, online careers platform. The Unifrog platform is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student (Years 7-11) has their own personal account that provides a wide range of information related to their interests and aspirations. We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to support your child with their career's choices throughout their time at Seven Vale. Please signup using the form code **SVRVParents** and you can sign up at www.unifrog.org/code

Writing a CV on Unifrog is really easy ... have a go...

Q2) Why do I need a CV?

Your CV is your opportunity to sell yourself. It is how you market yourself to the world.

You will need a CV to apply for part-time work, apprenticeships, full-time job, some college courses require you to submit a CV

Work Experience & Careers Fairs

While Severn Vale School's Y10 Work experience takes place in the 1st week of July (4th -8th July 2022) work experience is not limited to this one week in July nor is it limited to just Y10s. I would encourage students from Y10 and Y11 to also have a placement in the summer holidays as well as taking advantage of the weekend 'insight into industry' days that are offered by local companies and the GROWS network. Please see below for current work experience / insight into industry days.

Post-16 Timeline

I have had some requests from parents & students for a suggested timeline around Post-16 applications for current Year 11s – please find a guide below:-

September 2021 - There are lots of school Sixth Forms and Colleges in Gloucestershire and so using the summer holidays to whittle them down to a shortlist may well be a sensible first step in deciding where to go after Severn Vale School. Why not begin researching via Unifrog or 6th Form / Colleges own websites. Aim to compile a short-list of Post-16 choices by the end of September, having checked first that your GCSE estimated grades are on target to meet the course requirements. Following this you need to apply to attend a selection of open-days / open evenings (**Top tip** - If applicable - remember to research what student bursaries are available for you to apply for e.g. travel bursaries).

Sept - November 2021 - Attend at least two College or Sixth Form open-days (these may be in-person or virtual open-days depending on Covid-19). Most colleges only have a couple of open days a year, while some Sixth Forms only have one a year and so you do need to get organised early. Please note you will find many of the popular colleges open-days get full early. (**Top tip** - Severn Vale School will be issuing all students with a list of open-days at the start of September but some are already being advertised (see Colleges & Sixth Form pages of Newsletter for more information)).

FLD 25th November 2021 - Severn Vale School will be taking all of Year 11 off timetable for the day to allow them to visit a Post-16 destination of their choice. Transport will be provided by Severn Vale School, however as students are only able to visit one venue, it is important that students choose carefully. As well as getting to see the facilities, an open day is a great opportunity to find out more about the different courses on offer from those who teach and study it - current students and academic staff. (**Top tip** - For many students choosing a college or sixth form is a bit like buying a house - and so you may well find that you end up going with your gut feeling and choosing the college or sixth form that feels like it could be your home for the next 2 years. Remember what is right for your friends might not be right for you).

November – December 2021 - January 2022 - Submit applications to College / Sixth Forms (**Top tip** - you can submit multiple applications and can also accept courses at more than one provider, and you do not need to decide on where you are going until GCSE Results Day in August 2022)

December 2021 – Complete, via Unifrog, your Post-16 destination form, remembering to include a Plan A and a Plan B – this information will allow us to be able to review all of Year 11s applications and do a check on suitability and ensure all of Year 11 have the balance right between being aspirational and attainable.

January - February 2022 - If appropriate - apply to local grammar schools - please see their website for the application window (normally only a few weeks).

February - May 2022 - If appropriate - apply for apprenticeships via either Unifrog or Find and Apprenticeship website [Find an apprenticeship \(findanapprenticeship.service.gov.uk\)](https://findanapprenticeship.service.gov.uk)

August 2022 - GCSE results day - decide on which Post-16 place you are going to enrol at.
